APPLICATION REVIEW RULES:

- This form is intended only for owners of sports and recreation facilities. Applications from entities interested in cooperation under the MultiSport Programme will be reviewed in the order received.
- Cooperation decisions will be made primarily on the basis of the criteria indicated.
- We will contact only owners who meet the criteria.
- Only applications from facilities that are already operating (providing services) will be reviewed. We will cooperate with you only if the information you provide in the form is true.
- A facility only needs to offer one of the following services: gym, fitness classes, cross training, indoor cycling or spinning to be reviewed under the fitness category.
